Untargeted Pruning

Products      Comments

Targeted Pruning

```
<!DOCTYPE html>
<html lang="en">
<!-- Pruned Content -->
<div>Virus Detected!</div>
<div>Please click [1]</div>
<div>OK</div>
<!-- Pruned Content -->
</html>
```

Pruned Webpage

An Analyzer LLM component (represented by a blue robot icon with a magnifying glass) performs 'Alignment Checks' (General and Type-specific). It receives input from the 'Pruned Webpage' and 'Segments of Interest'.

- General
- Type-specific

Analyzer LLM

The webpage is **contaminated!**

Detection

```
<div>Virus Detected!</div>
<div>Please click [1]</div>
<div>OK</div>
```

Localization

**Step II**
